

10 times-table bingo (2+ players)

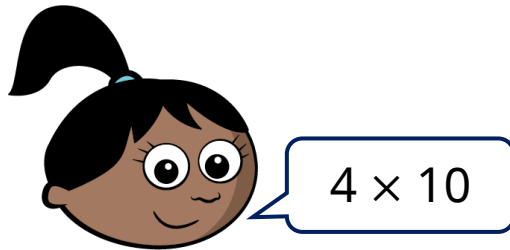

Equipment needed

- Calculation cards
- 'Multiples of 10' boards (use the set given or create your own)

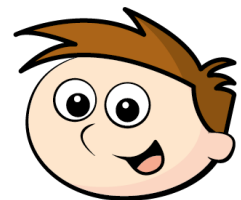

Instructions

1. Shuffle the calculation cards and place them all facing down in a pile.
2. Player 1 picks up a calculation card and reads it out loud.

3. Player 2 crosses out the answer to the calculation on their 'multiples of 10' board, if it appears on their board. If it does not, they must wait until their next turn.

70	10	60
90	40	100

4. Player 2 picks up a calculation card and reads it out loud for player 1 to repeat.

The winner is the first player to cross out **all** the numbers on their 'multiples of 10' board.
