

# Car body

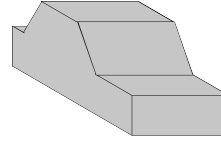

## Making a Net for a Car Body

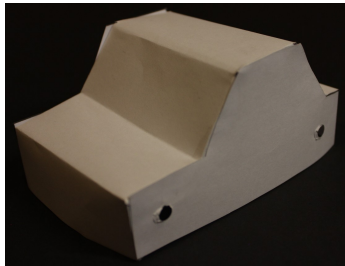

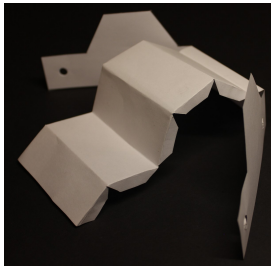

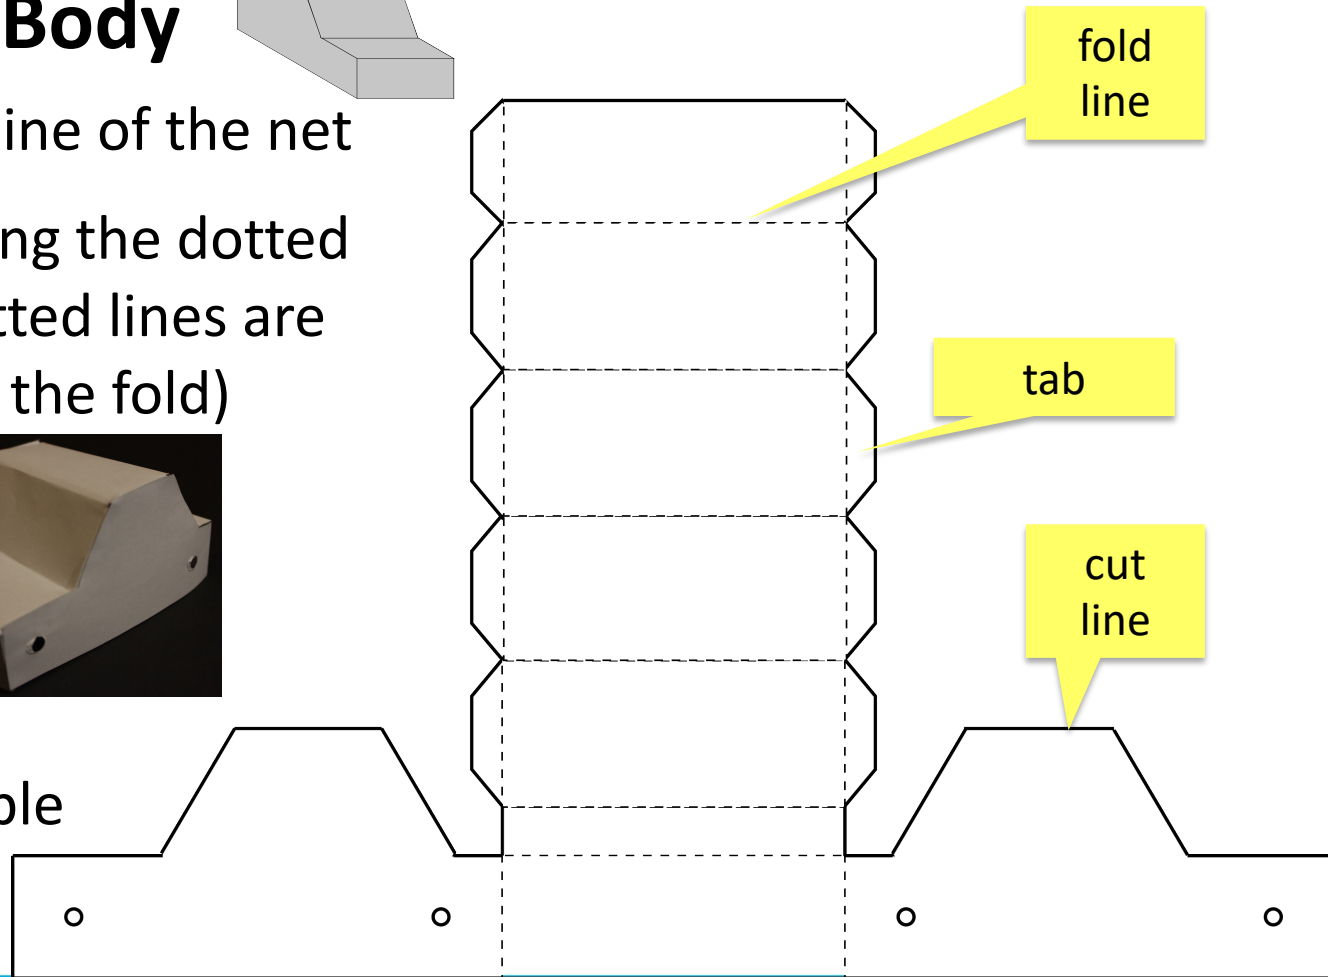

# Making a Car Body

1. Cut out the outline of the net
2. Fold the net along the dotted lines (so the dotted lines are on the inside of the fold)

3. Put glue on the tabs and assemble the car body

## Now Try This...

What graphics and colour need to be added to your car?

How would you change the net to improve the design of your car?
