

Pizza the Action

Understanding fractions through a pizza cutter approach

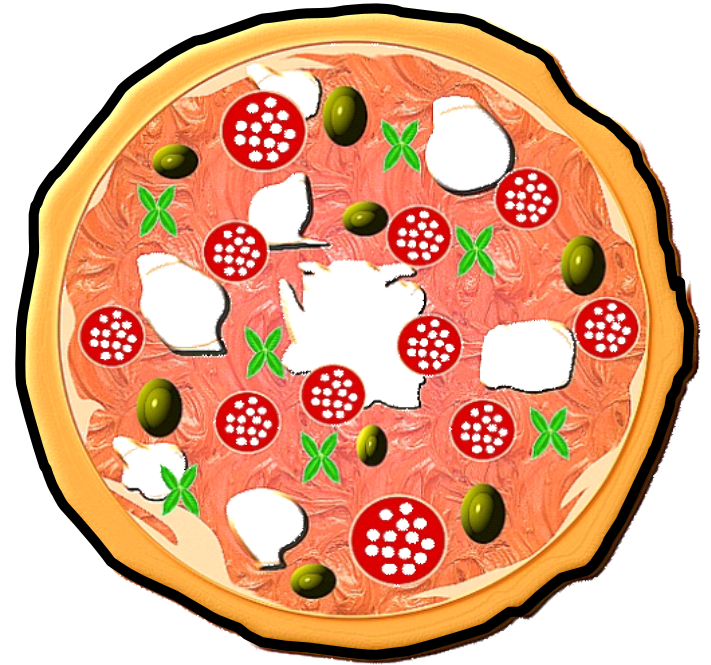

Pizza Fractions

- We have a delicious pizza.
- To share it with our friends we can use **fractions**.
- Each piece of pizza we cut is a **fraction** of the **whole** pizza.

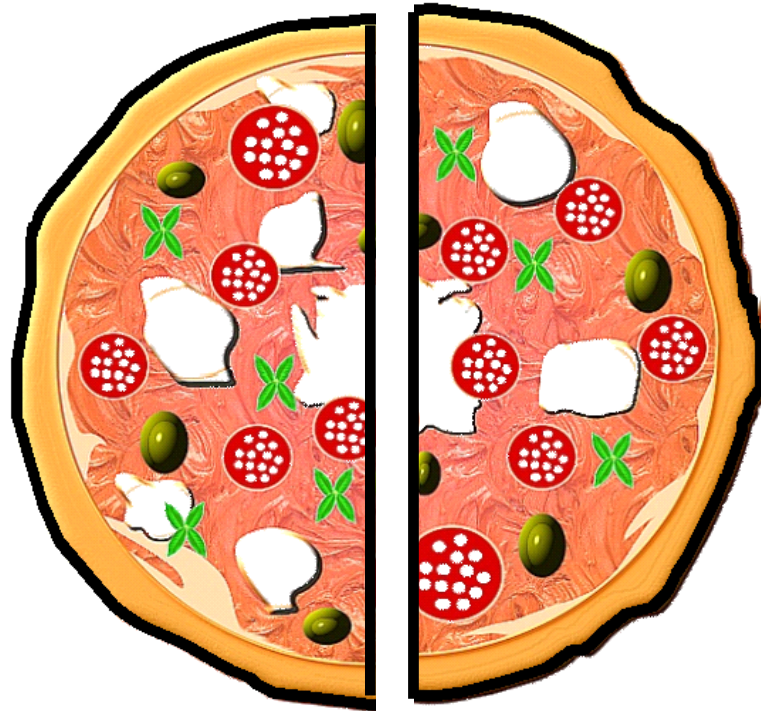

1 Whole Pizza

To share your pizza with 2 friends
you would cut the pizza into 2 **halves**.

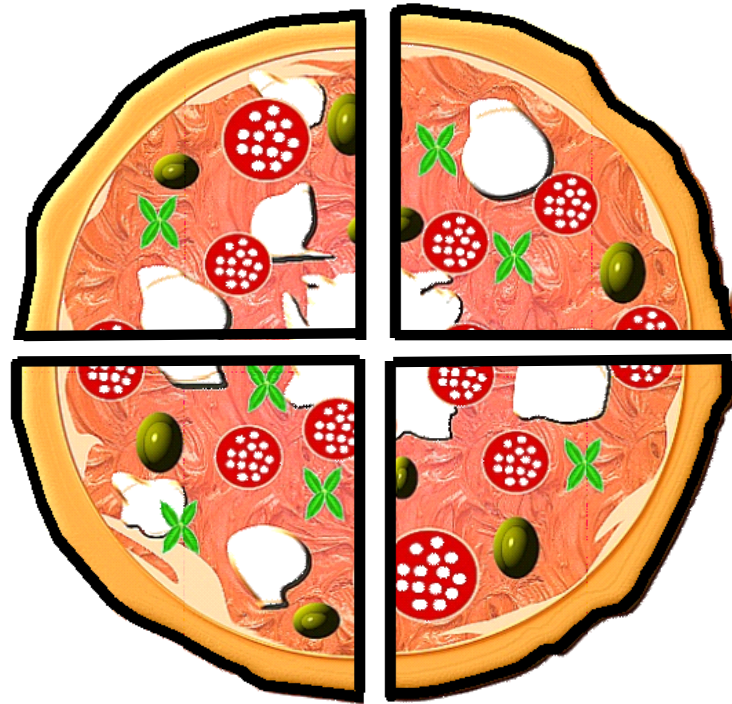

2 Halves

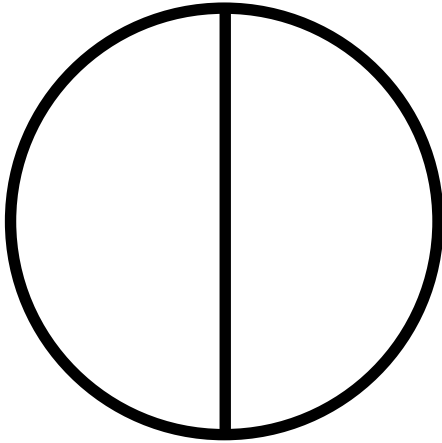

To share your pizza with 4 friends
you would cut the pizza into 4 **quarters**.
