

As we have completed learning our set 1 sounds we have spent this week consolidating our knowledge and using them to hear, read and build words with a focus on the sounds r,j,v,y,w.

**Please take the time this week to practice any letter formations that your child finds trickier.** For a list of the ditties we use to support correct letter formation please see the Early Years Resource page and the star titled resources on the children's tab on the school website.

**To support your child with blending sounds to read words, please click on the links shared on class dojo and watch them with your child.** Please provide any feedback about how your child got on using these interactive videos at home.

Please send in photographs to your child's portfolio on Class Dojo to record their progress. Please upload any photographs by next Friday.
