

### Our Weekly Challenge- W/C: 11.05.20

At the beginning of the week we provide the children with a challenge to complete by the end of the week. They are able to independently choose whether they complete the 'Bronze' 'Silver' or 'Gold' challenge.

This week's challenge: This week, we would like you to try and create your own rocket ship!

This could be out of anything you can find – will it be made out of Lego? Junk modelling? Playdough? Building bricks?

Bronze- Tell a grown up about how you made it.

Silver- All rockets need names before they can take off into space! Come up with a name for your rocket, and sound it out on a piece of paper.

Gold- Create a small story about where your rocket might go! Will your rocket go to the moon? Will you meet any aliens?

You can upload a photo of your challenge to your class dojo portfolio to share with your teacher or send to [kingscourt.rabbit@rbwm.org.uk](mailto:kingscourt.rabbit@rbwm.org.uk) or [kingscourt.robin@rbwm.org.uk](mailto:kingscourt.robin@rbwm.org.uk). We can't wait to see how you get on.
