Can you choose 3 activities to do?

(Grown-ups see the attachment in the busy learning folder.)</p>	<p>Take a look at www.kingscourtfirst.co.uk robin page/Rabbit page, home learning gallery to see what your friends have been getting up to.</p>	<p>Write a list of 5 things you are good at.</p> <p>I am good at...</p>
<p>Colour mixing- using just red, blue and yellow- can you make green, purple and orange? Can you create a picture using these colours?</p>  <p>The diagram shows three rows of color mixing. Each row consists of two colored dots (one on the left, one on the right) separated by a plus sign, followed by an equals sign and a resulting color. The first row shows a blue dot and a yellow dot resulting in green. The second row shows a yellow dot and a red dot resulting in orange. The third row shows a red dot and a blue dot resulting in purple. To the right of these equations are three simple line drawings of flowers, each corresponding to one of the resulting colors (green, orange, and purple).</p>	<p>Create a model using construction or junk modelling.</p>	<p>Can you find a flower on your daily walk or in your garden that you can draw or paint? Remember only pick it if you are allowed- you could ask a grown if you can take a photo.</p>  <p>A drawing of a red flower with a yellow center and green stem and leaves, set against a background of small blue dots.</p>
<p>How many words can you make with the sounds: t a s g o c k f e l h s h</p>	<p>How many rhyming words can you think of that rhyme with dog and bin?</p>   <p>A photograph of a small black and white dog looking to the left, and a photograph of a black wheeled bin.</p>	<p>Can you write your name 5 times using different colours? Maybe you might do each letter a different colour. You might even challenge yourself to use fancy pants writing.</p>
