Busy Learning Time

Can you choose 3 activities to do?

<p>Add to your diary something you saw on your daily walk.</p>	<p>Do some magic painting outside using a paint brush and water. Can you write a secret message for somebody?</p>	<p>Can you draw and label 5 things you might find at the beach?</p>
<p>How many times can you bounce and catch a ball in a minute?</p>	<p>Can you create your own ramp using junk modelling? Which vehicle goes the furthest? Record your experiment on a video and send it to your teacher.</p> 	<p>Can you practice throwing a ball into a hoop? (If not a hoop you could use a bucket/pot etc) Remember to step further back to make it even more challenging.</p> 
<p>Can you do a rubbing of your newly cleaned coins? (Place a piece of paper over the top of the coin, and colour on the paper to reveal the coin.)</p>  <p><small>©eParenting.co.uk</small></p>	<p>Sit at the window with a timer and create a tally of how many birds you see before the timer runs out.</p>	<p>Can you tell somebody about the Numicon below? What pieces could you use to create the number 7?</p>
