Busy Learning Time

Can you choose 3 activities to do?

<p>Add to your diary something you saw on your daily walk.</p>	<p>What do you want to do when you grow up? Draw or paint a picture of yourself. Add a label to tell everybody your job.</p>	<p>Ask an adult what they used to do for fun when they were your age - have things changed since they were little? How are they different? How are they the same?</p>
<p>Become a teacher! Teach a new skill to an adult or toy, remember to use those special words such as 'first' 'next' and 'finally.'</p>	<p>See how many times you can walk up and down a step without stopping. Write down how you feel before and after exercise, what does your heart do, are you hot or cold? What happens to your breathing?</p> 	<p>Can you choose an Understanding of the World activity from upper Reception on busythings.co.uk to complete? Username: KCpupil Password: busy123</p>
<p>Save some tin cans from your recycling to create your very own garden decoration or decorate to make a super plant pot. Here are some examples.</p>  	<p>Can you create a bird feeder for your garden?</p>  <p>You could even create one in a tin can like below.</p> 	<p>Help your adults at home with some gardening outside! Can you name the different plants or wild life you can spot.</p>
