Busy Learning Time

Can you choose 3 activities to do?

<p>Using paint or chalk outside, write down the sounds you know on the floor. Can you play splat using these? Remember you could blast them away with a water gun at the end!</p>	<p>Ask an adult if they have any spare magazines or newspapers, and create a collage using cut outs from these! What kind of picture will you make?</p> 	<p>Go on one of our 'virtual school trips.'</p> <p>https://www.kingscourtfirst.co.uk/virtual-school-trips/</p>  <p>11th May 2020</p>
<p>Create a course using cones, and try to dribble a ball around the cones to complete the course! Try to count how many times your foot needs to 'touch' the ball before you reach the end.</p>	<p>Listen to 'Squish the fish' and see how many of these yoga positions you can copy!</p> <p>https://www.youtube.com/watch?v=LhYtcadR9nw</p>	<p>Play 'the floor is lava' outside, try and use different shaped/sized stepping stones. Move them further apart to make the game more challenging.</p>
<p>Five fantastic facts! Can you record five fantastic facts about yourself? This can be written or recorded to show your teacher.</p>	<p>Create your own 'phonics hopscotch' using some of the sounds you know. You can even try doing this with tricky words!</p> 	<p>Play dress up! Create your own roleplay game and try to find something to dress up as. What kind of job will you do? Will you need any props for your game?</p>
