

Day Two: Busy Learning Time

Can you choose 3 activities to do?

<p>Go a search of all the electrical items in your house that have a plug. How many can you find? Can you draw and label 5?</p>	<p>Can you write the numbers from 1-20 in different colours? Try to write the number the correct way around.</p>	<p>Can you make your own ice lollies? Can you become an 'expert' and create a video teaching your friends how to make one?</p> 
<p>Complete a 'busy things' game! https://www.busythings.co.uk/ Username: KCpupil Password: busy123 'Reception', 'Upper Reception.'</p>	 <p>Draw and cut out some dinosaur shapes, using pegs, clip them onto the top of the dinosaur to create his spikes. Count how many did you put on. How many would you have if you added one more/took one away? Can you estimate before physically adding/removing a peg?</p>	<p>Using recycled cardboard tubes, can you challenge yourself to make your own marble/ball run?</p> 
<p>Practice catching/throwing. Throw a ball into the air, and catch it! Can you challenge yourself to clap in between throws? (If you do not have a ball, try to use a rolled up ball of socks.)</p>	<p>Can you create your own picture cards to match these sentences? Try and read these all on your own.</p> <p>'The bug is in the garden.' 'Fish and chips on a dish.'</p>	<p>Create your own 'phonics hopscotch' using some of the sounds you know. You can even try doing this with tricky words!</p>
