

Day Three: Busy Learning Time

Can you choose 3 activities to do?

<p>Using paint or chalk outside, write down the sounds you know on the floor. Can you play splat using these? Remember you could blast them away with a water gun at the end!</p>	<p>Ask an adult if they have any spare magazines or newspapers, and create a collage using cut outs from these! What kind of picture will you make?</p> 	<p>Ask a grown up to write the alphabet in capital letters down 1 side of the paper and then see if you can write the lower- case letters (sounds) next to them.</p>
<p>Play a game of splat the capital letter.</p>	<p>Create your own superhero mask and cape and play 'Superheroes!' What kind of superhero will you become today?</p> 	<p>Play 'the floor is lava' outside, try and use different shaped/sized stepping stones. Move them further apart to make the game more challenging.</p>
<p>Create your own 'Rainbow fruit kebab.' Remember to get an adult to help you with the sharp point of the stick!</p> 	<p>Create your own 'phonics hopscotch' using some of the sounds you know. You can even try doing this with tricky words!</p> 	<p>Listen to a Fairy tale on youtube! Can you predict what is going to happen next?</p> <p>Little Red Riding Hood: https://safeYouTube.net/w/jufM</p> <p>Jack and the Beanstalk: https://safeYouTube.net/w/qufM</p> <p>Cinderella: https://safeYouTube.net/w/2ufM</p>
