

Day One

Busy Learning Time

Can you choose 3 activities to do?

<p>Write a postcard to your new teacher for next year!</p> 	<p>Write a 'book review' for our story for this week; 'The cautious Caterpillar.' What did you like about the story? Is there anything you did not like? Try to involve these things in your review.</p>	<p>Can you write down as many words as possible that contain these sounds:</p> <p>ay</p> <p>ow</p> <p>ee</p> <p>Remember to underline the digraphs and add your sound buttons!</p>
<p>Draw a picture of anything you like, e.g. a favourite toy, a flower, a monster etc. and write labels on it. Can you talk about what you have drawn with your family?</p>	<p>Can you use your lego or building blocks to create and solve some number problems? You might want to try adding or taking away!</p> <p>As an extra challenge, can you record the number sentence on a sheet of paper?</p>	<p>Imagine you are going to the zoo! Can you create a 'check list' of some of the animals you might wish to see? Continue this game by creating your own zoo and pretending that you are visiting.</p>
<p>Practice dressing and undressing by yourself. Play a game with someone in your family. Who can get dressed the quickest?</p>	<p>With an adult, can you practice safely holding a knife and fork? Try to practice things such as cutting to help you eat your meals more independently.</p>	<p>Make or decorate a fan to help cool you down in this hot weather! Remember to try to fold these yourselves, but they can be tricky!</p>
