

Welcome to our Virtual School trip.

This week we would like you to visit the Queen's London home- Buckingham Palace. You will be able to look around the White Drawing Room, the Throne Room and the Grand Staircase. If you use the arrow keys on the screen or your mouse you can take a look around. Remember to look high to see what is on the ceiling also.

We would like you to tell us:

Do you have these rooms in your home?

Is there anything that is the same?

Is there anything that is different?

Can you draw/paint/make your own throne? You can zoom right in to see the detail on the Queen's throne. Can you see the special letters and the detail in the legs of the throne?

We hope you have fun on your trip to one of the Queen's homes! We can't wait to hear all about it.

Tips for the grown ups-

You can make the room full screen for the children to be able to explore better.

You will also find a little 'i' on some parts of the picture that will give you a little more information.
