

Welcome to our Virtual School trip.

This week, we are excited to announce that our virtual school is going to take us to LEGOLAND!!!

We can't imagine anything that could be more fun! Of course, one of the best things about theme parks is the rides! So we are going to experience some of these on this class trip. Click on the links below the ride image to experience the rides.

The Dragon coaster

Duplo Dino Coaster

Haunted house monster party

<https://safeyoutube.net/w/iwzL>

<https://safeYouTube.net/w/zzzL>

We would like you to tell us:

- What was your favourite ride?
- What do you enjoy doing at Legoland?
- Is there anything you miss about Legoland?

Can you **create your own Lego model** and display it on class dojo? If you would like it shared on the class page, make sure to let your teacher know.
