

Welcome to our Virtual School trip.

This week, we are going to visit Hidcote Gardens.

There are 3 virtual tours you can take around the magnificent gardens, through the heart of the old garden, through the plant house with exotic species and along the red borders to take in the vibrant colours.

Take a virtual tour of the red borders [🔗](#)

Experience the Red Borders filled with poppies on this 360 degree virtual tour of the garden.

Tips for adults:

- Your child can use the arrows on the keyboard to look around.
- Or you can click on auto rotate.
- You can add sound effects.

We would like you tell us

- How would you feel if you were in the garden?
- What games would you enjoy playing whilst you were there?
- What creatures do you think would visit the gardens?

Can you design your own garden? What different colours would be in your garden? What different flowers would you have? Would you have space to run around and play? Would you have any play equipment or a swimming pool?

We look forward to seeing your designs.
