Experiment Title:

We are doing this experiment because:

This is what I think will happen:

The materials that we used are:

This is what we did during our experiment:

This is what happened at the end of our experiment:

Lab Report

I think this happened because...

A large, cloud-shaped thought bubble with four horizontal lines inside, intended for a student to write their explanation. Three smaller circles lead from the bottom of the bubble to the boy's chin.
