

Find the pair (2 players)

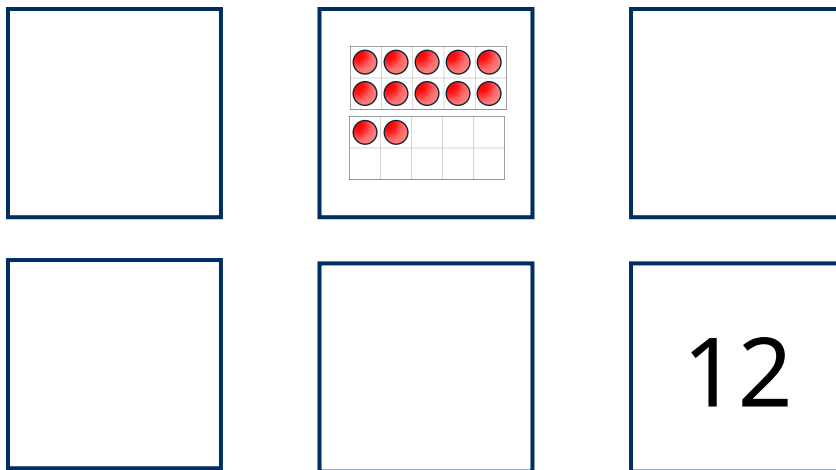

Equipment needed

- Representation cards (11 – 13)
- Sentence stems

Instructions

1. Shuffle the cards and place them all facing down.
2. Player 1 turns over **two** cards.

If the value of both cards match, use the sentence stem, “___ has ___ ten and ___ ones” to describe the number shown.

12 has 1 ten and 2 ones.

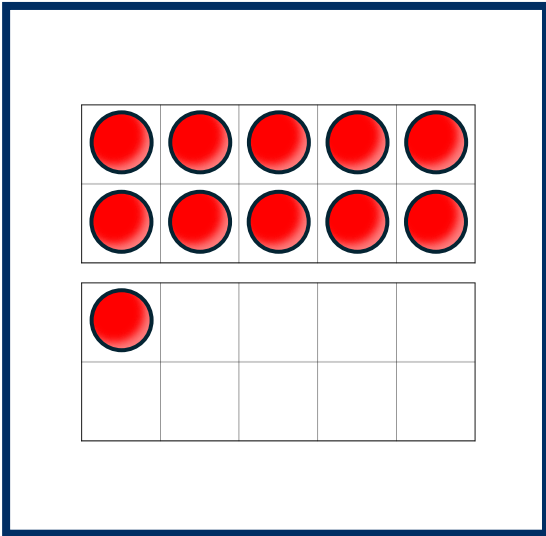

Player 1 keeps both cards.

3. Player 2 repeats.
4. Play until all the cards have been collected.

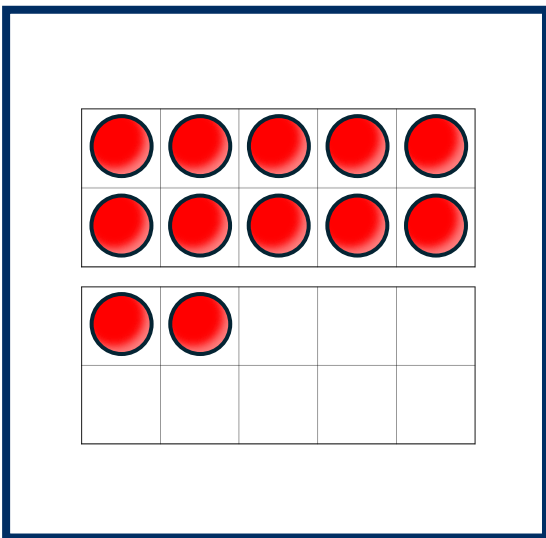

The winner is the player with the **most** cards.
