

2s roller coaster! (2 – 4 players)

Equipment needed

- '2s roller coaster' boards (use the set given or create your own)
- Two dice (1 – 6) or (1 – 9)
- Counters

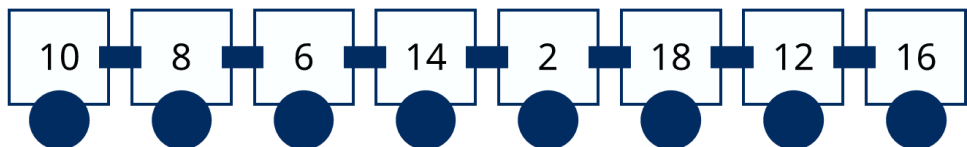

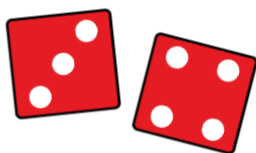

Instructions

1. Each player takes a '2s roller coaster' board and 8 counters.
2. Players take turns to roll the dice, multiply by 2 and decide where to place their counter.

Players can choose to use just one dice or add both dice together before multiplying by 2

For example, Jo has rolled 3 and 4

She can place her counter on 3×2 or 4×2 or 7×2

The winner is the first player to cover **all** the numbers on their '2s roller coaster' board.
