King's Court First School

A School for Children

Caring, Sharing and Learning Together

Autumn Term Issue 5

Dear Parents and Carers,

Welcome back to a new and exciting term at King's Court. We are looking forward to a busy and wonderful term ahead for our children, staff and families.

Over the last few weeks, we have enjoyed hearing about and learning from a range of celebrations. Many of our children have been talking about the fireworks they have seen as families celebrated Bonfire Night and/or Diwali. The children also showed great respect when observing the one-minute silence for Remembrance Day.

It was lovely to see members of our School Council supporting and children enjoying the scavenger hunt during our Curriculum Stalls event. Thank you to all the families who attended and helped make the event such a success. Your feedback has been greatly appreciated. Thank-you Mrs Martin for organising this event.

We have completed our Strictly Dance moves for Children in Need and spots were to be seen all around the school today!!! Thank-you for supporting such a valuable charity!

Looking ahead, we are excited for our Christmas-themed Coffee Morning on 27th November, and we hope many families will be able to join us.

There are many Christmas activities and events planned throughout the term. Please keep an eye on the school website calendar, which is regularly updated with all upcoming dates and information.

Thank you for your continued support. We look forward to sharing a fantastic festive term together. 🎄 ✨

With best wishes,

S. Pye-Beraet

Mrs. Pye-Beraet

Headteacher

WHAT ARE THE CHILDREN LEARNING ABOUT THIS WEEK?

This week in Team Magic:

We have been exploring circles and triangles in and out of the classroom, consolidating our phonics blending and practising our handwriting. The children enjoyed their first PE sessions with a fun space theme, learnt about Diwali and diva lamps, and created poppy artwork for Remembrance Day. We have also started listening to the songs for our Christmas performance, and looking at how to write a letter in preparation for writing our letters to Santa! In provision, the children have been building with Number blocks, rescuing pom-poms to develop fine motor skills, and using special friends to practise spelling. We were delighted to welcome families to our first Stay and Play session and look forward to these weekly.

This week in Team Believe:

As writers, Squirrels, have started their new topic 'Instructions', where the children have been very excited to follow written instructions to carry out a practical task of making a poppy. To consolidate their understanding of these instructions, we have also created a text map showing each step hat is needed. As mathematians, we have been consolidating our number bonds to ten and exploring new strategies to enable children to cross ten in numbers. As historians we have explored significant events in the past such as The Great Fire of London and The Plague. We have researched what it would be like to live in 1666 and how that compares to the present day.

This week in Hedgehogs, In English we have been practicing our use of conjuntions and have been writing some amazing sentences. In maths we are growing our number bonds within 10 knowledge and have used our numicons so we can visualise this.

This week in Team Inspire:

This week in Owls as mathematicians we have been practicing column addition and subtraction. In the next few weeks, we will be focusing on 'regrouping' in hundreds. In English we have been busy writing and following instructions about how to play a board game. We have also looked at the criteria for writing instructions and why this is Important. In history the children are very much looking forward to learning about Ancient Egypt.

This Week in Deer's as mathematicians, we have continued to develop our addition and subtraction skills, tackling increasingly challenging problems involving one or more exchanges. As writers, we have been exploring the features and structure of instructional writing. We have looked at what makes instructions clear and effective, and next week the children will be putting their learning into practice by having a go at writing their own set of instructions. In science, we have started our new topic, Living Things and Their Habitats. We will be investigating how and why different organisms are classified, developing our understanding of the similarities and differences between living things. Our history topic this term is How Did Britain Change During Prehistory? We will be travelling back in time to explore life during the Stone Age, Bronze Age and Iron Age, discovering how people lived and how Britain changed throughout these periods. We are particularly looking forward to our upcoming visit to Eton Museum, which will be a fantastic opportunity to bring our history learning to life and deepen our understanding of prehistoric Britain.

Curriculum Stall Fair - Tuesday 10th November 2026

Curriculum Stalls Celebration

Thank you to all involved in the curriculum stalls fayre this week. It was fantastic to welcome so many families into school to explore what we teach across each subject. The atmosphere was fantastic with many children bursting with curiosity and pride. A **huge thank-you** to our amazing community and families who came along to support the event.

Diwali - 2026

Congratulations to our Top Table for the 22/10/2026 – 5/11/2026 – 12/11/2026

Remembrance Day - 11th November 2026

Children in Need 13-11-2026

Well Done, King's Court First School!

For raising **£125.05** through kind donations and sponsorship for your wonderful dancing.

Thank you, King's Court First School, for your fantastic support!

🌟 **Total Raised: £125.05** 🌟

Important Information

Addressing Concerns Regarding Inconsiderate and Unsafe Parking

Dear Parents and Carers,

As a valued part of our community, King's Court is committed to fostering a safe and harmonious environment for everyone, including our pupils, families, staff, and local residents.

We would like to issue a polite reminder regarding recent incidents of inconsiderate and unsafe parking outside the school during drop-off and pick-up times. These behaviours create safety risks for children and other road users and can cause unnecessary tension within our local community.

We kindly ask all parents, carers, and visitors to be mindful of the following:

Parking Etiquette
Please Park only in designated areas and avoid parking on our neighbours' grass verges. At this time of year, the ground is often wet and can become easily damaged. We also ask that you do not block driveways, access roads, pedestrian crossings, or pavements. Illegal or obstructive parking creates hazards and makes it difficult for everyone to move around safely.

Respectful Communication
We encourage everyone to interact courteously and respectfully with school staff, other parents, and local residents. Aggressive or confrontational behaviour is unacceptable and may be reported to the appropriate authorities.

Patience and Understanding
Drop-off and pick-up times can be particularly busy, and occasional delays may occur. Your patience, cooperation, and understanding help us maintain a safe environment for all.

Keeping Pavements Safe
Please remember that pavements are provided for pedestrians. When vehicles are parked on pavements, it can force families, including those with pushchairs or wheelchairs, onto the road, creating unnecessary safety risks.

School Zig-Zag Markings
It is illegal to stop or park on the yellow zig-zag markings outside schools. Rule 243 of the Highway Code states that motorists must not stop or park in locations where it would create a danger or obstruction, including school entrance markings. These restrictions are in place to help ensure children can enter and leave school safely.

Working Together
We are actively exploring ways to improve traffic flow and parking arrangements around the school. As part of this, we have invited our local Community Warden to visit the school during drop-off and pick-up times to support safe and considerate parking practices.

Your support is vital in helping us maintain a safe environment for everyone. If you have any suggestions or wish to discuss any concerns, please do not hesitate to contact the school.

Thank you for your understanding, cooperation, and continued support. Together, we can ensure that King's Court remains a safe, respectful, and welcoming place for all members of our community.

Friends of King's Court First School Update: Looking forward to the year ahead!

As ever, the success of our group and its fundraising efforts is driven by the pool of amazing volunteers who offer their time and support. If you would like to get involved (in any way!), please do join our WhatsApp group to find out more.
