Summer Term Issue 6

Dear teachers, teaching assistants, support staff, governors, parents, children and the Friends of King's Court First School,

I would like to extend my heartfelt gratitude to each and every one of you for your dedication, hard work, and support throughout this school year, 2024-2025.

To our incredible teachers and support staff, thank you for your complete commitment to educating and nurturing our children. Your passion and perseverance make a profound difference in their lives every day.

To the Friends of King's Court First School, your tireless efforts and support are deeply appreciated to create a vibrant and enriching environment for all. We are delighted with and appreciate all the hard work from your small team.

To our parents and carers, thank-you for your support and encouragement for your children and appreciation for our staff. The cards, gifts and kind words are truly appreciated!

To our governors, whose commitment and thoughtful decision making play a crucial role in shaping the future of our school.

And finally, to our wonderful children, thank you for your enthusiasm, energy, and kindness. You are the heart of our school, and it is a joy to watch you grow and learn, as you continue to practise, Ready, Respectful, Safe.

Good luck in your new school's year 4! You will be truly missed and a credit to your new teachers. You are special and we are so proud of everything you have achieved during your time at King's Court.

Together, we make an extraordinary team, which was reflected in our extremely positive Ofsted report in May 2025. I am grateful for all that we have accomplished together.

Please enjoy a selection of photographs celebrating our year 😊

Have a wonderful summer break!

We look forward to welcoming you all back to school on Thursday 5th September – please check the website calendar for the autumn term time dates.

With best wishes,

Mrs. Pye-Beraet

You may remember a couple of weeks ago Miss Powell met the lovely Joe Wicks and he signed a piece of King's Court headed paper for our school.

Joe has just launched 'Activate with Joe' a brand-new animated workout for kids to help keep them fit and active over the summer.

Below is the link to his you tube channel where you can find and share the videos with your child over the summer.

JOIN THE FUN There are spaces in bands at your school

Dear Parents/Guardians,

There was an iRock concert at your child's school today!

What is iRock? At iRock, children experience the thrill of being in a band! Led by our passionate and professional iBand Coaches, our weekly in-school band sessions are open to all pupils from Reception to Year 6.

Music for all. iRock aims to create a welcoming and inclusive environment where every child feels they belong. Each week, children develop their musical skills, confidence, and teamwork as they work towards main-free music qualifications – celebrating progress without the pressure of formal exams.

Feel like a rockstar! The excitement culminates every term in a live concert where children perform as a band for their families and peers. These performances are more than just a showpiece; they're an opportunity for children to build self-esteem, enhance their confidence, and experience the joy of accomplishment.

iRock isn't just about music; it's about helping children thrive cognitively, socially, and academically through the power of music.

Key information:

- No experience needed and all instruments are provided
- Parents/guardians can access our online portal for updates, pictures and videos
- Headline from monthly subscription that can be cancelled at any time with a first lesson money-back guarantee

King's Court First School Piano Lessons

Individual and/or joint piano lessons are available for children from any school year during the school day. Lessons last for half an hour and are tailored towards the individual. Children having joint lessons will be placed with another child of a similar age and level.

Lessons take place in the Music room at school, where we have access to percussion instruments as well as the two pianos. This has allowed me to introduce musicianship skills into lessons as well as the main focus on pianistic skills and note reading. The children really seem to enjoy the variety this approach offers.

Children can be prepared for piano exams or learn to play for fun.
