

King's Court First School
A School for Children
Caring, Sharing and Learning Together
Summer Term Issue 4

Dear Parents and Carers,

Welcome back to the Summer Term!

We hope you all enjoyed a wonderful half-term break and had the chance to relax and recharge. It was certainly a very warm start to the week, so we hope everyone managed to keep cool and comfortable as we returned to school.

It has been a busy and exciting start to the new term. We are also very much looking forward to the Old Windsor Carnival and seeing our carousel float come to life. A huge thank you goes to the Friends of KCFS for all their hard work and dedication in preparing the float—it is greatly appreciated. We are excited to share that Miss Powell will be making a guest appearance, and Mrs Sharma will be carrying a bucket on the day! Let's keep our fingers crossed for dry weather so everyone can enjoy the event.

A quick reminder to please check the **calendar on the school website**, as there has been some confusion regarding the INSET day dates. The online calendar has the most up-to-date and accurate information.

In the classrooms, it has been a focused start to the term. Year 4 children have been working extremely hard on their Multiplication Tables Check (MTC) this week—well done to them for their effort and determination. Looking ahead, we will begin phonics screening for our Year 1 children, along with Year 2 re-takes, next week. We wish all the children the very best as they take part.

It's certainly been a busy beginning to the Summer Term, and we are excited for all the learning, events, and opportunities still to come.

Thank you, as always, for your continued support.

With best wishes,

Mrs. Pye-Beraet
Headteacher

WHAT ARE THE CHILDREN LEARNING ABOUT THIS WEEK?

This week in Team Magic:

This week in Team Magic we have been working hard with our learning.

In Literacy, we have been exploring our local area. The children enjoyed going on a walk around the school grounds, spotting familiar places and talking about what they could see. Back in the classroom, we added labels to photographs and wrote simple captions, applying our phonics knowledge independently. In Phonics this week, we have also been learning some new Set 2 sounds and practising recalling words from the previous day's learning.

In Maths, we have been investigating equal groups and using this to help us understand even and odd numbers. The children have explored sharing objects fairly, sorting numbers into even and odd, and explaining their reasoning. We have also revisited doubles to strengthen automatic recall, using concrete resources such as doubling ladybirds and building matching towers with cubes.

Robins had a fantastic first Sports Day, and we were incredibly proud of each and every one of them. They showed bravery, resilience and wonderful sportsmanship, cheering one another on and celebrating each other's achievements. It was great to see how far they have come.

We have loved welcoming Robins back after half term and are looking forward to a busy and exciting final term together!

<https://www.kingscourtfirst.co.uk/early-years-optional-homework-zone/>

This week in Team Believe: We welcome the children back for their final term of learning, which will be filled with exciting opportunities and an enjoyable school trip to look forward to. This Final term, we are exploring a range of new and engaging topics across our curriculum. As Writers, our new genre will be non-fiction. The children will learn to read and write non-chronological reports. They will explore the key features of a report, including titles, facts, labels, pictures and clear sentence structure. They will learn to organise information about a topic and write simple factual sentences. As Mathematicians, Hedgehogs will develop their understanding of place value within 100, by counting, comparing and ordering numbers. They will explore 10s and 1s and use practical resources. In Squirrels, the children will be developing their understanding of time by telling and writing the time to 5-minute intervals, including quarter past, half past and quarter to the hour. They will learn to read clocks accurately, compare and sequence intervals of time.

<https://www.kingscourtfirst.co.uk/key-stage-1-optional-homework-zone>

This week in Team Inspire:

It has been wonderful to welcome the children back to school and see their enthusiasm for learning this term. This week, as mathematicians, Owl Class have been developing their understanding of time. We have been learning to read both analogue and digital clocks, convert between the two formats, and understand the difference between a.m. and p.m.

In English, the children have been introduced to non-chronological reports. They have explored a range of examples and begun identifying the key features that make this text type effective and informative.

In Science, we have started our exciting new topic on forces and magnets. It has been fantastic to see some of the children's creative projects and enthusiasm for the subject already.

In DT this term, the children will be designing and creating their own royal flags, as well as designing a hoisting mechanism to raise and lower them.

Optional homework packs will be sent home with the children. These activities provide an opportunity to reinforce learning and explore our topics in greater depth.

This week in maths, Deer Class we are introducing the children to writing amounts of money using decimals, building on their existing knowledge of pounds and pence. The children have already learned that: 100 pence (100p) = £1. We use the pound sign (£) for pounds and p (pence) for smaller amounts now, we are helping them understand how to write money in a clearer way using decimals. They have learnt that when writing money as a decimal the decimal point separates pounds and pence and that the number before the decimal shows the pounds and the number after the decimal shows the pence.

Children's Corner

We are delighted to introduce a brand-new behaviour incentive to celebrate the children who consistently make good behaviour choices.

The “**Mighty Mint Stint**” is a fun weekly challenge led by Mrs Pye-Beraet. Each week, 10 children from every class will be selected to take part as a reward for their positive behaviour.

The challenge is simple—who can hold a mint in their mouth the longest?

There will always be another chance to be chosen, so we're looking forward to plenty of enthusiasm and good sportsmanship!

Calendar Dates

Friday 5th June – The Old Windsor Donkey Derby

Saturday 6th June – The Old Windsor Carnival Day

Monday 8th June – Phonics Screening

Tuesday 9th June – Team Inspire (KS2) School Trip to Beale Park

Saturday 13th June – Trooping the Colour

iRock

As our iRocker school leavers move on to their next adventure, new places are opening for children to start band lessons from September.

About iRock Lessons

- 30-minute band-based music lessons taught by a professional Band Coach
- Lessons take place during school hours
- Easy subscription: cancel at any time, with a first lesson money-back guarantee.
- Open to children aged 4 to 11, regardless of ability or experience
- Children learn popular music while building confidence, teamwork and listening skills
- Pupils can work towards an exam-free RSL Awards music qualification as part of their iRock journey.

To: All families with children aged 4 to 11

Subject:
[iRock](#) Spaces Now Available for September!

Email content:
Dear Parents/Guardians/Carers,

We are pleased to share that spaces in [iRock](#) bands are available now to book for September!

At [iRock](#), children experience the excitement of being in a real band, learning instruments, playing songs they love and building confidence through music. Led by passionate and professional Band Coaches, the fun and inclusive in-school sessions help children develop teamwork, resilience and musical skills in a supportive environment.

Every term ends with a live concert performance for family and friends, giving children the chance to shine like real rockstars and celebrate everything they've achieved.

[Full details on how to sign up can be found here.](#)

You can also contact [iRock](#) at info@irockschool.com, or 0330 174 2655, if you have any questions.

Kind regards,
