Kinship Care

What is kinship care?

Kinship carers are family or friends who step up, often during an unexpected crisis, to care for a child when their parents aren't able to. Kinship care is a commitment. To bring love and hope to a child who has experienced trauma. No matter what. Our main aim is to identify any families who would benefit from support.

Are you raising the child of a relative or a friend?

Whether you have a special guardianship order, child arrangement order or no legal order in place, you and your child are eligible for support and advice to help with education.

This could include:

- Pupil Premium funding
- advice and support from AfC Virtual School
- advice and support from other organisations

For more information, please contact Rebecca Lloyd at AfC Virtual School or the designated teacher in your school.
