A School for Children
Caring, Sharing and Learning Together
Summer Term Issue 7

Happy Summer Holidays from KCFS!

Dear Parents and Carers,

We are delighted to announce that our Reception children have achieved an excellent Good Level of Development (GLD) score of 86%%, and our Year 1 children have achieved an impressive 89% pass rate in the Phonics Screening Check. Although these are currently provisional results for 2025-26, we are incredibly proud of these achievements and the hard work of both our children, parents and staff.

Our Year 4 children have enjoyed a wonderful final week. Highlights have included a bowling trip, their leavers' assembly, a fantastic final performance, and a celebration party on the field this afternoon. A special thank you to the Friends of KCFS for kindly organising this event and helping to make it such a memorable occasion.

At this time of year, it is important to pause and say thank you to everyone in our small school community who works together with the children's best interests at heart.

Thank you to our dedicated teachers, who work tirelessly throughout the year, supported so effectively by our fantastic support staff. We are also incredibly grateful to our office team, whose work behind the scenes keeps everything running smoothly, and to Mrs McBride for all she does to keep our school safe, clean and welcoming.

A huge thank you goes to our parents and carers, who provide the backbone of support for our children at home. Your partnership makes all the difference.

We would also like to recognise the incredible efforts of the Friends of KCFS, who have achieved so much with a small but committed team of volunteers. We hope to welcome some new members in September so that this important work can continue to thrive.

Most importantly, thank you to our children, who have been absolutely magnificent once again this year. Their enthusiasm, kindness, resilience and achievements make us proud every single day.

Whilst we ended the week on a slightly disappointing note with England's World Cup journey coming to an end, there is so much to look forward to as we begin a well-deserved summer break.

We wish all of our families a happy, safe and restful summer holiday, and we look forward to welcoming everyone back in September.

With best wishes,

Mrs. Pye-Beraet
Headteacher

There are spaces in bands at your school

iRock

Dear Parents/Guardians,

There was an iRock concert at your child's school today!

What is iRock? At iRock, children experience the thrill of being in a band! Led by our passionate and professional Band Coaches, our weekly in-school band sessions are open to all pupils from Reception to Year 6.

Music for all. iRock aims to create a welcoming and inclusive environment where every child feels they belong. Each week, children develop their musical skills, confidence, and teamwork as they work towards exam free music qualifications – celebrating progress without the pressure of formal exams.

Feel like a rockstar! The excitement culminates every term in a live concert, where children perform as a band for their families and peers. These performances are more than just a showcase—they're an opportunity for children to build self-esteem, enhance their confidence, and experience the joy of accomplishment.

iRock isn't just about music; it's about helping children thrive cognitively, socially, and academically through the power of music.

Key information:

- **No experience needed** and all instruments are provided
- Parents/guardians can access our **online portal** for updates, pictures and videos
- **Free** from **monthly subscription** that can be cancelled at any time with a **first lesson money-back guarantee**

Head to <https://www.thegapclub.com/rock> to check availability and start your child's iRock journey!

Piano Lessons

Individual and/or joint piano lessons are available for children from any school year during the school day. Lessons last for half an hour and are tailored towards the individual. Children having joint lessons will be placed with another child of a similar age and level.

Lessons take place in the Music room at school, where we have access to percussion instruments as well as the two pianos. This has allowed me to introduce musicianship skills into lessons as well as the main focus on pianistic skills and note reading. The children really seem to enjoy the variety this approach offers.

Children can be prepared for piano exams or learn to play for fun.
